f) What number of students were enrolled, what number received emergency grants and how much grant aid did the students receive by IPEDS age categories?

Institutions should follow IPEDS Fall enrollment guidelines (<https://nces.ed.gov/ipeds/use-the-data/survey-components/8/fall-enrollment>) for when to capture a student's age. For example, institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.
