Family Size Information

List below the people in the student's family size. Family size includes the following:

The student and spouse if the student is married.

The student's or spouse's children if the student or spouse will provide more than half of their support from 07/1/2024 through 06/30/2025, even if the children don't live with them.

Other persons if the following are true:

They live with the student.

They receive more than half of their support from the student/spouse and will continue to receive more than half of their support between 07/01/2024 through 06/30/2025.

For family size that are identified as "other persons", the student must explain in detail how they provide more than half of their support in the text box provided below.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S. tax return at the time of completing the 2024-2025 FAFSA.

As a result, the student should not include any unborn children in the family size.
