CB09 SAM Code

D - Possibly Occupational

Rationale

By making this class a GE qualifier, it opens up more opportunities for students to explore different ethnicities through their food practices. The title has also be adjusted to reflect the many varying cultures that are explored within this class.

Catalog Course Description

This course explores cuisines with a focus on the geographic, historic, cultural, religious, and economic influences that shape food availability and consumption. Students will examine how diversity shapes cultural food patterns. Additionally, this course will examine women's contribution to the culinary world.
