

Napa Valley College
CALIFORNIA STATE UNIVERSITY
GENERAL EDUCATION (GE) REQUIREMENTS
Effective Fall 2006 through Summer 2007

NOTICE: Courses on the CSU General Education List change from year to year. Courses taken to meet General Education requirements will be honored only if they are approved for the academic year in which they are taken. It is therefore a wise practice for students to obtain a new CSU General Education list for each academic year in which they are registered at Napa Valley College.

Introduction

The General Education Requirements for the California State University (CSU) system specifies courses within subject areas which will satisfy the 39 lower division GE requirements for any campus of the California State University System. Completion of lower division GE is not required before transfer but for most students it is highly recommended. If completed prior to transfer students will be responsible for only an additional 9 upper division semester units in GE. For some students, in high unit majors, completing the pre-major course requirements will be a priority over completing GE requirements. Napa Valley College courses with a number designation of 100 through 299 are transferable to all CSU campuses, but only a select group of these courses qualify for CSU GE.
